3.02. Global Community

- (a) Select two (2) countries and find out something about their customs, traditions and religions. Present charts with information about the climate, what the people look like, the currency used, any famous landmarks or tourist attractions, typical crafts, natural resources etc. Drawings and/or pictures should be included alongside the written information.
- (b) Draw the flags of five countries. Include the name of each country's capital city and show their geographical position on a map.
- (c) Research and present information about an international charity. What do they do, and why is their work important?
- (d) Find out some interesting facts about Scouting in another country.
- (e) Mention 3 things that happened in the world in the last week.
