1.03. Artist

- (a) Design and paint a poster demonstrating your knowledge of primary colours and how they mix to create secondary colours.
- (b) Create a design and print it onto paper, fabric, glass, etc., using techniques such as potato printing, lino cuts, or tie-dyeing.
- (c) Make a video on a subject that interests you, using photos you have taken.
- (d) Design and create a greeting card for a new Pack member.
- (e) Visit an art gallery.
- (f) Design and make your own stencil, then use it to decorate an item of your choice.
