6.03. Photographer

- (a) Explore the different settings available on a digital camera or smartphone camera app.
- (b) Demonstrate how to edit a photo or create a collage using a smartphone app or editing software. Show how to transfer photos to another device.
- (c) Describe good practices and common mistakes when taking photos or videos.
- (d) Photo Challenge – Using the skills above, take a set of twelve pictures to document an event or outing. These should include a variety of subjects (e.g. landscapes, people, and action shots) and can be in colour or black and white. Present them to the Pack. The photos do not need to be from the same event.
- (e) Learn about the history and development of photography.
