## 4.01. Survivor

- (a) Demonstrate your knowledge of the Highway Code and the Countryside Code.
- (b) Create a home emergency "go-bag" kit, explain what's inside, why each item is important, and how to use it.
- (c) Build a simple outdoor shelter using natural or provided materials.
- (d) Safely build and light a fire outdoors, following all safety rules. Use it to make a hot drink. Clean up the fire pit properly afterwards.
- (e) Demonstrate how to make an emergency phone call, using the LIONEL method:
  - Location
  - Incident
  - Observations
  - Number of people involved
  - Emergency services needed
  - Location (repeat it clearly)
- (f) Describe at least one method to collect and filter water in an emergency situation.
