## 5.05. Pioneer

(a) Knot-tying challenge – Tie the following knots behind you back or while blindfolded:

- a. figure of eight;
- b. reef knot;
- c. sheet bend;
- d. clove hitch;
- e. bowline;
- f. round turn and two half hitches.

(b) Know Applications – Describe the best use for each of these knots

(c) Design and build a camp gadget using lashings, including a plan of you project.

(d) Create a decorative item using either pioneering techniques or ropework.

(e) Assist at camp by using different knots as needed around the campsite.

(f) Learn and demonstrate another rescue knot apart from the bowline.
